

A portrait of Samuel Adams, an 18th-century American revolutionary leader. He is depicted from the chest up, wearing a dark brown coat over a white shirt and a dark cravat. He has long, wavy white hair and a serious expression. The background is a dark, textured brown.

It is in the interest of tyrants to reduce  
the people to **ignorance and vice.**  
For they cannot live in any country  
where **virtue and knowledge** prevail.
